

SLS COMPARED to POPULAR STUDY BOOKS

SLS SYSTEM – STUDY SKILLS for Your Success in School
No Matter: the Class..., the Teacher, Instructor, Professor..., the School..., the Grade...
www.yoursuccessinschool.com

This Chart **compares the SLS Study Skills Program with other popular Study Programs and Books**

SLS compares well with the other 5 study skill books and programs in 7 areas and offers Advantages in 12 areas better than these 5 programs.

Many of these other 5 programs and books are **written for college level students**. Students in lower grades have to adjust the ideas to their grade level. Some books and programs are simple to understand and other are not so simple for students who struggle with school.

These **Areas** of comparison were chosen and established by the 'Learning to Learn' Program authors

- = the book does not have information in this area
- X = the book has information in this area
- * = Means that this is an area where SLS is better – the **SLS Advantage**
